

# FEIN professional set for repairing/replacing windows

Battery-powered oscillating multi-tool

Order number:: 7 129 27 66 00 0

The most powerful system for interior work and renovation with special accessories for dismantling old windows and replacing putty-mounted insulating glass.

- High-performance battery-powered SuperCut designed specially for use in repairing/replacing windows with a time saving of up to 80%.
- Complete set in high-quality tool case with the key accessories for the most common applications in this area.
- Ideal for use on the construction site to remove old window frames without damaging the walls or plaster, or alternatively to repair insulated windows.
- StarlockMax tool mounting with outstanding torque transfer, suitable for all Starlock, StarlockPlus and StarlockMax accessories.
- Same performance as the mains-powered tool.
- State-of-the-art Li-ion technology with individual cell monitoring.
- Powerful 18 V Li-ion batteries with charge control display.
- Rapid charger for continuous working without interruption.
- Convenient QuickIN quick clamping system.
- Outstanding FEIN quality and stability.
- Designed for continuous use and high loads.
