

WPO 14-25 E

Sander polisher

Order number:: 7 221 49 24 11 0

Extremely powerful sander/polisher for cool machining of stainless steel surfaces.

- Extremely powerful even at low speeds thanks to mechanical gear reduction and FEIN high power motor.
- Infinitely variable speed, ideal for sanding, satin finishing, brushing and high-gloss polishing of stainless steel.
- Universal suitability as fully-functional sander, polisher and satin-finisher.
- Excellent handling.
- Spindle lock.
- Right or left-handed operation.
- Restart protection.
- Soft start.
- H 07 industrial cable.
- Dustproof ball bearing.
- Carbon brushes with self cut-off function.
- Comprehensive range of accessories available.
